***Response to Amendment***

1. The amendments filed on July 28, 2003 have been entered and made of record.
2. The amendments filed on July 28, 2003 overcome the prior art rejection. Therefore, the rejections are withdrawn.

***Allowable Subject Matter***

3. Claims 1-20 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record whether taken singularly or in combination, especially when these limitations are considered within the specific combination claimed, does not teach or fairly disclose a write back and refresh circuit comprising a single global data line; a plurality of primary sense-amps connected to the single global data line and each primary sense-amp outputs a single data signal over the single global data line; a single secondary sense-amp connected to the single global data line and receives a single data signal from each of the primary sense-amps over the single global data line, and includes a restore/write back circuit to write-back data over the single global data line to primary sense-amp and back into the memory.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
